

The best way to do this is to have a separate file for each student
and to add them up when they are ready to print.

For example, here is the beginning
of one student:

Handwritten assignment for chapter
one.

Below, the first section of the assignment
is handwritten. Please note the following:
the handwriting is very messy, it is not
clearly legible, and it is written
in cursive handwriting.

Below, you can see what the handwritten version
looks like. It is very messy, but it is clearly legible.
The handwriting is cursive, with some capital letters
present. TAH
